

2023/2024

Bi-Annual Report

Connecting Those Who Serve With Those In Need,
To Build A Stronger Community.

Letter from the Board Chair

Dear Friends,

Over the past two years, Loudoun Cares has made a meaningful impact across our community, adapting to challenges and building on successes. Together, we achieved milestones that set the stage for continued growth in the years to come.

We continued distributing ARPA funds for the County to support residents needing utility, rent relief, and eviction avoidance funding. In the past 2 years, the County awarded us contracts worth over \$10 million, allowing us to expand our staff. Most of the funding is earmarked for passthrough to residents in need so we continue to help those who have fallen into dire financial situations. Since April 2020 through the end of December 2024, we distributed over \$5.3 million in rental and utility assistance, reaching more families in need than ever before. Further, we received multiple grants supporting our programs from numerous foundations and donors.

Additionally, over 3,500 volunteers responded to community needs posted through the Volunteer Center, contributing thousands of hours to support our mission and the missions of the nonprofits that we support through our centralized volunteer hub. Our Volunteer Center continues to grow with over 335 nonprofits currently registered. Our presence across Loudoun got stronger and our signature events saw significant growth. We hosted the Outstanding Volunteer Awards in 2023 and 2024, honoring exceptional volunteers who strengthen our mission and help build the Loudoun community. The 5th and 6th Annual Art Auctions were very successful fundraisers, raising vital funds for our programs and showcasing local talents in the art, music, and culinary world. We've peppered our calendar with smaller events as well, providing services such as a free shred and social opportunities such as a benefit concert.

We successfully worked our way through transitions as several Board members reached their term limits or resigned due to various life events. Although saying goodbye was difficult, it opened the door for us to welcome several new Board members who have approached Loudoun Cares with new ideas, bringing us renewed energy. Our beloved Valerie Pisierra retired after serving as our Executive Director for 7 years. We welcomed Jenny Tomlinson into the Executive Director role in August 2024; her transformative leadership is guiding Loudoun Cares in an exciting direction as we start the new year. Finally, we sold the South Street building which we have called home since 2010, giving up the title of "landlord." We are currently renting back and looking for a new place to hang our hats.

None of these accomplishments would have been possible without the support of our donors, volunteers, and community partners. Your commitment drives our work to build a stronger, more connected Loudoun.

As we look to 2025, we're excited to deepen our impact and serve even more Loudoun residents. Thank you for being an essential part of this journey. Together, we're making a lasting difference.

Warm regards,

A handwritten signature in cursive script that reads "Ronni".

Ronni Allen Ward

Board Chair, Loudoun Cares

Message from the Executive Director

Greetings,

As I reflect on the past two years, I'm filled with immense gratitude for the support and dedication that make Loudoun Cares such a special organization. In my first year as Executive Director, I have had the privilege of seeing firsthand how our team, our volunteers, and our partners work tirelessly to meet the needs of our community.

2023 and 2024 have been years of learning, growth, and opportunity. We've focused on strengthening our core programs, expanding our services, and deepening our relationships with local organizations. What stands out most is the unwavering commitment to ensuring no one in Loudoun County faces challenges alone. Whether it was through the efforts of our Volunteer Center, the ConnectLine, or our impactful community events, we have worked hard to make a lasting difference.

I'm excited about what's ahead. We have future plans that will allow us to extend our reach, grow our impact, and build an even stronger support system for those who need it most. But none of this would be possible without you—our community, our volunteers, and our supporters.

Thank you for your trust and continued partnership. I look forward to the work we will do together in the years ahead.

Best,

A handwritten signature in cursive script that reads "Jenny".

Jenny Tomlinson

Executive Director, Loudoun Cares

Organizational Impact

1. ARPA Funding

Total amount distributed

- 2023 - \$441,869
- 2024 - \$1,387,384
